**Quotation Procedures:**

Vendor(s) shall be deemed to be pre-qualified to participate in subsequent spot market purchases as required by the County on either an as needed or on a periodic basis. When such spot market purchases are initiated, vendors will be invited to participate. The award to one vendor for a specific purchase does not preclude the remaining pre-qualified vendors from submitting spot market offers for other specific purchases. No quotes are necessary for purchases under \$500.00; these purchases shall be based upon the availability of materials and geographic location of the vendor. In the best interest of the County, for items either delivered by the vendor or picked-up from the vendor by authorized County personnel, the availability of the material, geographic location, and/or delivery time may be utilized as deciding factors for the basis of an award to a vendor when it is determined by a County department that a project is time sensitive to meet pre-established deadlines or it is an emergency situation.
